Coordinated Activities & Services

Activities

Services

Coordinated
process

```
graph TD; A[Activities] --> C((Coordinated process)); S[Services] --> C;
```

The diagram illustrates a coordinated process. It features a central green circle labeled 'Coordinated process'. Two green rounded rectangles, labeled 'Activities' on the left and 'Services' on the right, have arrows pointing towards the central circle, indicating that both activities and services contribute to or are part of the coordinated process.
