Golden Onsite Dental

We are a completely mobile dental clinic in Pennsylvania providing preventative services to those with lack of access to care. We have clinics for ages 0-99 throughout the western part of Pennsylvania.

Dental Clinics Include:

Exam - with Teldent & Dr. Steines, DMD reviews all intraoral pictures and x rays to complete exam

Prophylaxis - Alice Valenta PHDHP, does a complete dental cleaning

Fluoride Varnish - application provided up to age 21, and if needed in adults

X rays - used to look for cavities in between teeth, when needed

Referrals - provided for patients in need of treatment, we work personally with the state Medicaid programs to help people to get treatment.
