

DENTAL OFFICE OPEN HOUSE

for Individuals with Intellectual Disabilities

Tuesday
September 10, 2024
6:00-8:00 PM

Meadville Dental Center
640 Alden St
Meadville, PA 16335

The event is coordinated by The Arc of Pennsylvania

The Dental Office Open House is part of an initiative to promote healthy lifestyles for individuals with intellectual disabilities (IDD). This event allows individuals with IDD to familiarize themselves with a dental office setting, ask questions and get to know a local dentist to help reduce the anxiety and fear associated with visiting the dentist.

Families, individuals with disabilities, caregivers, staff and providers are welcome to attend. Giveaways and tips for promoting dental wellness will also be available for those in attendance.
